

Cylindrical Lock

CEB100/102

The Cylindrical Lock is designed specifically with business owners in mind. Engineered for speed of installation, ease of use, and mixed functionality, the Cylindrical Lock is perfect for front doors, back doors, storeroom doors, offices, or anywhere that has a 2 1/8" hole in the door!

Features & Benefits

- ANSI/BHMA A156.2 Grade 1
- UL10C 3-hour fire rating
- IP67 weather resistance to allow full exposure to both sides of the door
- FCC/IC Certified
- ADA compliant
- Deadlocking latch
- -35°F to 140°F (-37°C to 60°C)
- Compatible with Centrios Cards & Fobs

Bluetooth mobile access via the Centrios mobile app. Privacy mode with included door position sensor installation. Full-time passage egress.

Operates up to one year on four AA batteries (included). Exterior emergency 9 VDC power backup.

Unique LED for lock events and alarms. Key in lever design for fixed core. Configurable auto relock. Wireless door position sensing (DPS).

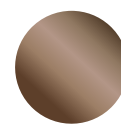

Designed to be quick and easy to install - with in-field handing and patent pending automatic adjustability for door thicknesses between 1-3/8" to 2-1/4".
